i.1 Digital Modules

CDM8

Commercial 8 Way Distribution System

Commercial Version of our popular DDM8 System.
 Features:
 Can be powered from any of the TV outlets or from the 18VDC input.
 Switch to select 12VDC to power Masthead Amps.
 Separate Satellite / Terrestrial or combined input.
 COFDM Digital Modulator input.
 Designed for New Zealand and Digital Television.
 <= 1dBuV loss

Brand: SV

Bulk Qty Available: ☒

QTY'S 10+,30+

Size: 140 x 120 x 43mm

Remarks: 18VDC PSU

DDM4

Digital Distribution Module 4 Way

Digital 4 basic Multiswitch is a cost effective way to distribute satellite, Digital TV and an RF return around your home.

Brand: Starview

Bulk Qty Available: ☒

QTY'S 10+,30+

The Digital 4 is available as a standalone multiswitch or with a flush mounting cabinet. (350 x 275 x 90mm) -DDM8CAB

No Loss +/-1dBuV per leg. - 18VDC F-Type power supply included.

Remarks: Subscriber outputs x 4

DDM8

Digital Distribution Module 8 Way

Digital 8 basic Multiswitch is a cost effective way to distribute satellite, Digital TV and a RF return around your home.

Brand: Starview

Bulk Qty Available: ☒

QTY'S 10+,30+

The Digital 8 is available as a standalone multiswitch or with a flush mounting cabinet. (350 x 275 x 90mm) DDM8CAB

No Loss +/- 1dBuV per Leg 18VDC F-Type Power Supply included

Remarks: Subscriber outputs x 8

DDM8BRK

DDM8 Bracket

Bracket for mounting DDM4 or DDM8 in Signet style Cabinet.

Brand: SV

DDM8CAB

Flush mount cabinet for DDM8 module

Flush mount Cabinet for DDM8 and DDM4 Multiswitch.
 Complete with Hinged Door

Brand: SV

318621		TMS/CKR 5x8 S Multiswitch <p>Standalone multiswitch for 1 Satellite position with 5 inputs and 8 outputs, suitable for distributing satellite and terrestrial signals in small and medium sized systems. Dependability guaranteed: a 6-year warranty is our guarantee that TRIAX's core values of reliability and innovation are the foundation of our new multiswitches. The TMS/CKR 5x8 S offers excellent performance and flexibility, with a compact design for installations even in confined spaces.</p> <p>Brand: Triax</p> <p>Remarks: 6 Year Warranty</p>	
318622		TMS/CKR 5x12 S Multiswitch <p>Standalone multiswitch for 1 Satellite position with 5 inputs and 12 outputs, suitable for distributing satellite and terrestrial signals in small and medium sized systems. Dependability guaranteed: a 6-year warranty is our guarantee that TRIAX's core values of reliability and innovation are the foundation of our new multiswitches. The TMS/CKR 5x12 S BS offers excellent performance and flexibility, with a compact design for installations even in confined spaces.</p> <p>Brand: Triax</p> <p>Remarks: 6 Year Warranty</p>	
318623		TMS/CKR 5x16 S BS Multiswitch <p>Standalone multiswitch for 1 Satellite position with 5 inputs and 16 outputs, suitable for distributing satellite and terrestrial signals in small and medium sized systems. Dependability guaranteed: a 6-year warranty is our guarantee that TRIAX's core values of reliability and innovation are the foundation of our new multiswitches. The TMS/CKR 5x16 S BS offers excellent performance and flexibility, with a compact design for installations even in confined spaces. Excellent performance</p> <p>Brand: Triax</p> <p>Remarks: 6 Year Warranty</p>	
318624		TMS/CKR 5x24 S BS Multiswitch <p>Standalone multiswitch for 1 Satellite position with 5 inputs and 24 outputs, suitable for distributing satellite and terrestrial signals in small and medium sized systems. Dependability guaranteed: a 6-year warranty is our guarantee that TRIAX's core values of reliability and innovation are the foundation of our new multiswitches. The TMS/CKR 5x24 S BS offers excellent performance and flexibility, with a compact design for installations even in confined spaces. Excellent performance</p> <p>Brand: Triax</p> <p>Remarks: 6 Year Warranty</p>	
318625		TMS/CKR 5x32 S BS Multiswitch <p>Standalone multiswitch for 1 Satellite position with 5 inputs and 32 outputs, suitable for distributing satellite and terrestrial signals in small and medium sized systems. Dependability guaranteed: a 6-year warranty is our guarantee that TRIAX's core values of reliability and innovation are the foundation of our new multiswitches. The TMS/CKR 5x32 S BS offers excellent performance and flexibility, with a compact design for installations even in confined spaces. MS406P		Starview 5 x 6 Multiswitch With Power Supply <p>MS406P 5 x 6 Multiswitch with 22KHz Tone Outputs and +/- 2dB of Insertion Loss. Starview Multiswitches are built to a high standard and come complete with full wiring diagrams. They are designed to deliver the least loss on your digital system. All versions require power supplies and are supplied with a plug pack. Plug packs are connected to the multiswitch via an F Connector allowing you to have the power supply in a separate location to the multiswitch.</p> <p>Brand: Starview</p> <p>Bulk Qty Available: <input checked="" type="checkbox"/></p> <p>QTY'S 10+</p> <p>Remarks: Subscriber outputs 6</p>	

MS408P

Starview 5 x 8 Multiswitch With Power Supply

MS408P 5 x 8 Multiswitch with 22KHz Tone Outputs and +/- 2dB of Insertion Loss
Starview Multiswitches are built to a high standard and come complete with full wiring diagrams.
They are designed to deliver the least loss on your digital system.
All versions require power supplies and are supplied with a plug pack.
Plug packs are connected to the multiswitch via an F Connector allowing you to have the power supply in a separate location to the multiswitch.

Brand: Starview

Bulk Qty Available: 

QTY'S 10+

Remarks: Subscriber outputs 8

MS412P

Starview 5 x 12 Multiswitch With power Supply

MS412P 5 x 12 Multiswitch with 22KHz Tone Outputs and +/- 2dB of Insertion Loss
Starview Multiswitches are built to a high standard and come complete with full wiring diagrams.
They are designed to deliver the least loss on your digital system.
All versions require power supplies and are supplied with a plug pack.
Plug packs are connected to the multiswitch via an F Connector allowing you to have the power supply in a separate location to the multiswitch.
