### f.5 Portable Mounts

<b>0000/1749</b>	<b>Aluminum camping stand</b>  <p>Ideal for quick, mobile installation of the compact 45 cm digital satellite antennas DIGIDISH 45 and SATMAN 45. This camping satellite tripod enables a 45 cm satellite antenna to be set up quickly and easily. Thanks to its lightweight aluminum construction and foldable legs, the tripod can be transported in a space-saving manner in the trunk or in a free corner of the mobile home. The mounted satellite antenna can be fixed at a height of up to 120 cm. An ideally suited tripod for use when camping, where quick assembly and disassembly as well as easy transport are important. Mast 42mm Material 0.8mm</p>	<p><b>Brand:</b> TechniSat</p>
