#### DABMAN i205 CD -Wood

Hybrid stereo radio featuring DAB+, FM and web radio reception, featuring CD player, Bluetooth 5.0, UPnP as well as a variety of music streaming options and many user-friendly features.

Brand: Imperial

A highly versatile digital companion: The IMPERIAL DABMAN i205 CD combines the features of a DAB+ and FM radio with the huge possibilities of web radio, CD playback, music streaming access and home networking. Being capable of receiving digital and analogue radio signals via DAB+ and FM as well as web radio stations, the DABMAN i205 CD may also play back music CDs and it can be connected to mobile devices via Bluetooth 5.0 and UPnP. A wide range of features such as multilingual OSD menu, plug & play installation, time display, multilingual menu and alarm clock mode featuring sleep timer top off the list of useful functions, making the versatile IMPERIAL DABMAN i205 CD one of the best hybrid radios in its class.

#### DABMAN i400

Small-sized hybrid radio adapter (suitable for DAB+, FM & web radio) featuring 3.2" (8,1cm) colour display, Bluetooth 3.0 as well as UPnP/DLNA support and many user-friendly features.

Brand: Imperial

The small-sized IMPERIAL DABMAN i400 combines the features of a DAB+ and FM radio with the huge possibilities of an internet radio and home networking device. This device offers all three radio technologies plus a variety of additional features wrapped up in an extremely small-sized housing - the ideal solution to bring your HiFi system to the next level. Being capable of receiving digital and analogue radio signals via DAB+ and FM as well as internet radio stations, the DABMAN i400 may also be connected to mobile devices via Bluetooth or UPnP in order to play back music files from smart phones or external storage devices. Another plus: thanks to its WiFi capability, the DABMAN i400 may be used as a "nerve centre" for multiroom operation, bringing your favourite music to every room in your house. The DABMAN i400 may be easily operated via remote control or via smart phone/tablet by using the free application (iOS and Android supported). In sum: the DABMAN i400 is the ideal solution for upgrading your HiFi set to a full-scale audio entertainment centre.

### IMPERIAL DABMAN i450 CD

Hybrid stereo radio featuring DAB+, FM and internet radio reception, CD player, Bluetooth/DLNA/UPnP support and many user-friendly features.

**Brand:** Imperial

The IMPERIAL DABMAN i450 CD is one of TELESTAR's cutting-edge digital radio all-rounders: the hybrid radio receives both digital DAB+ and analogue FM radio signals and may provide you with access to more than 25.000 web radio stations. Another plus: a wide range of music streaming services is supported as well. It also features a CD drive to play back music from audio and MP3 CDs. Two 3" speakers and subwoofer ensure a great stereo sound experience, which, thanks to the internal equalizer, may be adjusted to individual preferences. The 2.8" TFT color displays provides you with useful background information (e.g. song title, time, weather information), many features such as alarm clock mode, UPnP or USB MP3 play back mode round off the DABMAN i450's portfolio of functions. The trick with the DABMAN i450 CD: it is prepared for undermount installation and therefor ideally suited to be used as kitchen radio.

### DABMAN i510 BT

Hybrid radio element for HiFi systems, featuring Bluetooth support as well as a variety of streaming and multimedia options.

**Brand:** Imperial

The IMPERIAL DABMAN i510 BT combines the features of a DAB+ and FM radio with the huge possibilities of a web radio and home networking device. This device offers all three radio technologies plus a variety of additional features wrapped up in a 43cm HiFi case - the ideal component to bring your HiFi system to the next level. Being capable of receiving digital and analogue radio signals via DAB+ and FM as well as internet radio stations, the DABMAN i510 BT may also be connected to mobile devices via Bluetooth and UPnP in order to play back music files from smart phones or external storage devices. Speaking of music: the i510 BT supports a variety of web music streaming services. Additionally, an extensive USB media feature supports playing back several types of media from as well as recording radio streams on USB storage devices. It may be easily operated via remote control or via smart phone/tablet by using the free application (iOS and Android supported). In sum: the DABMAN i510 BT is the ideal solution for upgrading your HiFi set to a full-scale 21st century audio entertainment centre.

### DABMAN i560 CD

All-In-One HiFi system featuring amplifier, CD Player, Bluetooth transceiver & DLNA/UPnP support as well as a variety of music playback and streaming options.

**Brand:** Imperial

The IMPERIAL DABMAN i560 CD is a full scale all-in-one HiFi system. Its high-quality and elegant chassis in "classic" 17" dimensions accommodates everything you need if you are looking for a sophisticated HiFi system: DAB+ digital, analogue FM as well as web radio, CD & network player, a large portfolio of music streaming services, Bluetooth, WiFi etc. - it is easier to list the features, that the DABMAN i560 CD lacks. The internal amplifier creates a solid, natural sound and offers sufficient reserves. The system's high variety of connections offers maximum versatility. It may be easily operated via remote control or via smart phone/tablet by using the free application (iOS and Android supported).

## REVO SuperConnect Stereo - Walnut-Silver

High quality hybrid radio featuring radio triple tuner, Bluetooth and music streaming support

**Brand:** Revo

SuperConnect is the ultimate expression of REVO's design and engineering philosophy, and the culmination of everything we have learnt in 10 years of award-winning product design and development. Functionalism meets craft and technology, a next-generation audio device that beats at the heart of your musical ecosystem, providing whatever soundtrack you need. Radio from around the globe, access to your personal music collection or an almost limitless supply of songs from the world's leading music streaming service.

SuperConnect is equipped to receive a wide range of digital radio standards including DAB, DAB+, FM with RDS and wi-fi internet radio – providing access to over 16,000 stations from around the world. But the music doesn't stop there – SuperConnect's ability to communicate with external devices and services is unrivalled. DLNA and WLAN technology enables wireless audio playback from external computers and music servers, Bluetooth® with aptX® delivers CD quality streaming from smartphones, tablets etc., and Spotify Connect completes the proposition by unlocking over 20 million tracks from the Spotify archive.

SuperConnect is crafted using the finest materials and components, its all-wood cabinet with anodised aluminium and mild-steel fascia and backplate compliment its advanced electronics beautifully. A detailed graphical OLED display and joystick control add a touch of modernity, while patented audio electronics and driver technology deliver 15W of clear digital audio with clarity and deep, rich bass.
