f.5 Portable Mounts

<p>0000/1749</p> 	<p>Aluminum camping stand</p> <p>Ideal for quick, mobile installation of the compact 45 cm digital satellite antennas DIGIDISH 45 and SATMAN 45. This camping satellite tripod enables a 45 cm satellite antenna to be set up quickly and easily. Thanks to its lightweight aluminum construction and foldable legs, the tripod can be transported in a space-saving manner in the trunk or in a free corner of the mobile home. The mounted satellite antenna can be fixed at a height of up to 120 cm. An ideally suited tripod for use when camping, where quick assembly and disassembly as well as easy transport are important.</p> <p>Mast 42mm Material 0.8mm</p> <p>Size: 920 mm - 1450mm</p>	<p>Brand: TechniSat</p> <p>UPC4019588017498</p>
